

S.S. Fog 180 AF® Portable Thermal Cum Cold Fogging Machine 2 in 1

Name: S.S. FOG 180 AF. 2 in 1 Portable Thermal Cum Cold Fogging Machine.
Type of Machine: Thermal Aerosol Fog, petroleum based resonate pulse principal.
Performance of engine tube: 18.7 kW-hr / 16,100 KCAL / HR / 25.4 HP-HR
Solution Tank Output: 0 – 42 Litres. / Hr.
Type Of Fogging: Duel Type • Oil based Thermal Fogging • Water based Cold Fogging
Solution Tank Capacity: 5.5 Litres – Plastic Tanks
Fuel Tank Capacity: 2.0 litres Tank
Fuel Consumption Per/Hr: 2.0 litres per hr.
Ignition Source: Automatic Start with Air Compressor and Buzzer Coil.
Weight Empty: 9.0 kg Empty
Auto Shut Off Valve: Auto Shut Off Valve, Prevents fire hazards on machine stopping.
Warranty: One year International warranty.

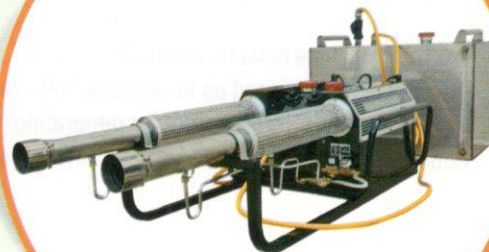

Fogger XL 200 Is Vehicle Mountable Thermal Cum Cold Fogging Machines.

Name: Fogger XL 200 vehicle Mountable Thermal Cum Cold Fogging Machine.
Type of Machine: 2 in 1 thermal Aerosol Fog, petroleum based resonate pulse principal.
Performance of engine tube: 33 KW / Hr / 28400 KCAL / HR / 45 HP / HR
Type Of Fogging: Duel Type • Oil based Thermal Fogging • Water based Cold Fogging
Solution Tank Output: 70 litres / Hr.
Solution Tank Capacity: 72 litres x 2 Tank
Fuel Tank Capacity: 5 litres Tank
Fuel Consumption: 2.3 litres per hr.
Machine Weight Empty: 23 kg only. (without tank)
Operating: Full Remote Control Operations
Warranty: One Year International warranty.
Also available with tractor mountable kit

SS Fog 400 Is Vehicle Mountable Thermal Cum Cold Fogging Machines 2 in 1 With Two Fogging Barrels.

Name: SS Fog 400 Vehicle Mountable Thermal Cum Cold Fogging Machine. Double Barrel Fogging.
Type of Machine: Thermal Aerosol Fog, petroleum based resonate pulse principal.
Performance of engine tube: 66 KW / Hr / 56800 KCAL / HR / 90 HP / HR
Type Of Fogging: Duel Type • Oil based Thermal Fogging • Water based Cold Fogging
Solution Tank Output: 150 litres / Hr
Solution Tank Capacity: 105 litres Tank x 2
Fuel Tank Capacity: 6 litres Tank x 2
Fuel Consumption: 4.6 litres per hr.
Machine Weight Empty: 55 kg only. (without tank)
Operating: Full Remote Control Operations.
Warranty: One Year International warranty.
